

Park and Go!

Hunter Park Metrolink Station is not the only place you can park for free. There are several county operated Park & Ride lots where you can either catch the bus or meet up with a carpool partner to get to campus. Just a few options are:

Moreno Valley > If you live in or pass through Moreno Valley, park your car in the designated Park & Ride stalls at the Moreno Valley Mall. From there, catch RTA Route 16 which drops you off at Bannockburn or University Village.

Perris > Park at the Downtown Perris Metrolink Station and catch RTA Route 208 which drops you off at UCR Parking Lot 30.

Montclair > Park at the Montclair Transit Station and catch RTA's CommuterLink 204 which drops you off at Bannockburn.

San Bernardino > Park in one of the 81 designated stalls at the San Bernardino Transit Center and catch RTA Route 200 to downtown Riverside, then make a quick transfer to the Gold Line or Route 1 to campus.
