

## Guest and Visitor Parking

Permits are available for department guests and campus visitors at the Information Kiosks and the Transportation Services office. Permits designate the valid lot(s) associated with them and must be displayed on the dashboard. Visitor permits are not transferable. Special needs may be directed to the Event and Mobility Services Office at (951) 827-1295.

## Parking Regulations and Fines

UCR Transportation Services and the UC Police Department enforce all California traffic laws, as well as university parking and traffic regulations, at all times. All vehicles must park "head-in" to the parking spaces, except when parallel parking. All vehicles must park with the flow of traffic.

Within twenty-one (21) calendar days of issue date shown, you must pay or appeal this citation online at [transportation.ucr.edu](http://transportation.ucr.edu) or obtain a written appeal form at the Parking Service office. **WARNING:** Failure to pay the penalty or contest this citation within twenty-one (21) days of issuance will result in late penalties, loss of your right to appeal and DMV notification to refuse your vehicle registration renewal until the penalty is paid (California Vehicle Code 4760).

Citations can be paid at Transportation Services (Parking Services Building) or online at [transportation.ucr.edu](http://transportation.ucr.edu). Students can elect to pay for citations via their student billing accounts.

A full list of violations and fines can be found online at: [transportation.ucr.edu](http://transportation.ucr.edu).
