RECIPROCAL AGREEMENT WITH OTHER CAMPUSES

The UC campuses offer reciprocity to faculty and staff with valid parking permits. Each campus has a unique set of circumstances relating to various parking issues. Because of these differences, permit holders must stop at either an information / parking Kiosk or the parking services office at the campus in which they are visiting to obtain a permit at no charge.

SPACE / LOT CLOSING

Transportation Services may temporarily close or modify any parking facility or space if deemed necessary.

ALTERNATIVE TRANSPORTATION

In an effort to improve air quality and parking congestion on campus, UCR encourages everyone to use alternative transportation. Transportation Services offers various incentives.

Transportation Services assumes the right to refuse, revoke or deny parking privileges. UCR assumes no responsibility for any vehicle or its contents while it is operated or parked on campus facilities. Parking rules and regulations may change without prior notice as deemed necessary.
