## THE ZERO DOLLARS RIDE PROGRAM

## UCR RIDES FREE WITH THE TOKEN TRANSIT APP

The Riverside Transit Agency has switched to a contactless fare system available through the Token Transit app. UCR students and staff will no longer swipe their R'Card to board the RTA bus. To get your free transit pass you will be required to log in to UCR's Transportation Services website and enroll in the U-PASS Program. Once registered, you will receive your free pass via the Token Transit app for unlimited rides anywhere RTA buses go, anytime they operate. And yes, you can take your bike or skateboard with you on the bus.

Getting your pass is easy. After you enroll online, UCR will send your registration to RTA. Staff passes will be processed immediately and within three to five days you will receive a text message from Token Transit with a link to download the pass. After that, simply use your phone's mobile pass whenever you board and enjoy the ride. Student passes will be issued beginning September 24 and valid through the end of the term.

With trained drivers, clean vehicles and a commitment to customer safety, say hello to a better way to travel. Plus, there's comfortable seating, free Wi-Fi service and USB charging ports to make your trip even better. Did we mention that it's free?
