

#UCRBIKES **RECI** Bike Workshops

Truth & Techniques of Traffic Cycling

4-Part Webinar Series

Mondays, 12 p.m. - 1 p.m.

October 19
October 26

November 2
November 9

Influence the behavior of motorists around you by proper positioning and awareness while riding. The most common types of crashes are predictable and avoidable with the knowledge you'll learn in this workshop series. Please attend all dates to complete the course.
